## BELLE

Intelligent, open-minded Belle has dreams. An avid reader, Belle yearns for adventures "in the great wide somewhere" like those in her beloved books. Practical and loyal, Belle is capable of great love and courage, as shown by her willingness to give up her freedom for her father's well-being. With her spirit and beauty, Belle sees beyond appearances and can do what it takes to turn her dreams into reality.

**QUOTE** | "I want so much more than they've got planned."

## DISNEY PRINCESS BELLE

Belle is ready for shimmering adventures with your little dreamer! Wearing her classic outfit with a new twist, Royal Shimmer Belle dazzles in a signature-colored, jewel-ombre gown with glitter print detailing.
