 **PASSIONATE AND SPIRITED**

MERIDA

Passionate and brave, Merida is a headstrong teenager of royal upbringing who is struggling to take control of her own destiny. She feels most at home in the outdoors honing her impressive athletic skills as an archer and swordfighter, and racing across the magnificent Highland countryside with her faithful horse, Angus. With a spirit as vibrant as her untamed hair, Merida is determined to take the reigns of her life and forge her own fate.

QUOTE | "Our fate lives within us, you only have to be brave enough to see it."
